

## **Martik Brothers, Inc. Announces New Ownership Group Focused on Legacy, Growth, and the Future of Construction**

**FOR IMMEDIATE RELEASE: Finleyville, PA – December 19, 2025** – Martik Brothers, Inc., a longstanding leader in quality construction services across the region, is proud to announce the transition to a new ownership group. This milestone marks an exciting new chapter for the company—one that builds on decades of excellence while positioning the organization for continued growth, innovation, and industry leadership.

In 1992, Martik Brothers started as a custom homebuilder whose projects could be seen across southwestern PA. Founded on the principles of quality craftsmanship, trust, and honesty, Martik Brothers, Inc. has established itself as a respected and dependable partner. Today, Martik Brothers constructs commercial, industrial, and high-end residential projects that can be seen across the country. We are currently licensed in FL, NC, PA, SC, OH, MD, WV.

The previous owners built a strong and reputable foundation that has served customers and communities for decades. The new ownership group is committed to honoring that legacy while strategically guiding the company into the future.

Martik Brothers, Inc. is now led by the following four owners:

Nicholas Fragello – Owner/CEO

Daniel Manius - Owner/COO

David Memo - Owner/CCO

Trace Martik - Owner/CFO

Together, the ownership team brings 75+ years of combined construction experience, including more than 30 years of direct hands-on field expertise. Additionally, the owners collectively represent over 40 years of experience specifically with Martik Brothers, Inc., providing deep organizational knowledge that ensures continuity, stability, and the same exceptional standard customers have come to expect.

This unique combination of experience allows the leadership team to preserve the company’s proven methods while confidently navigating new opportunities. While committed to upholding the long-standing values that define Martik Brothers, Inc., the new ownership group is equally focused on innovation and forward-thinking improvements. Plans include implementing new technologies, updated procedures, and enhanced project workflows designed to increase efficiency, improve communication, and meet the evolving demands of the construction industry.

“

*Our mission is to protect the legacy of Martik Brothers while positioning the company to excel for the next generation, said Nicholas Fragello/Owner/CEO. We will continue delivering the exceptional craftsmanship our clients trust, while embracing tools and systems that make us stronger, faster, and better equipped for modern project challenges.*

”

Martik Brothers, Inc. continues to deliver a wide range of construction capabilities, including: General Contracting & Construction Management, Design-Build Services, Commercial & Retail Facilities, Industrial and Warehousing Projects, Educational & Institutional Buildings, Religious and Community Facilities, Specialized Renovations and Additions.

With a skilled workforce, long-standing trade partnerships, and a reputation built on quality and trust, Martik Brothers, Inc. remains a dependable partner for projects of any size or complexity.

The new ownership group emphasizes that customers will continue receiving the same personalized service, integrity, and dedication to excellence that have defined the Martik Brothers name for decades. Enhancing customer experience will remain a driving priority as the company moves forward.
